15th September 2018

RAPIDLY PROGRESSIVE DEMENTIAS

(RSF 2014-400 REGIONE DEL VENETO)

SCIENTIFIC COMMITTEE

*Bruno Giometto (Trento), Salvatore Monaco (Verona)
Annachiara Cagnin (Padova)*

13.30 Registration

14.00 *Authorities* Welcome address

14.15 *B. Giometto (Trento)* Introduction

14.30 *L. Zuliani (Treviso)*

Immune-mediated Rapidly Progressive Dementias

14.50 *A. Cagnin (Padova)*

Imaging in Rapidly Progressive Dementias

15.10 *G.L. Zanusso (Verona)*

RT-Quick-test in Creutzfeldt-Jakob Disease

15.30 Discussion

16.00 Coffee Break

CHALLENGING DIAGNOSIS:

**PLATFORM PRESENTATION
AND DISCUSSION OF CLINICAL CASES**

SCIENTIFIC COMMITTEE:

*Bruno Giometto (Trento)
Marianna Spatola (Barcelona/Lausanne)*

16.30 - 17.00 *L. Massacesi (Florence)*

LECTURE: Multiple sclerosis and multiple sclerosis mimics: the diagnostic criterion of "unless better explanation" using new MRI methods.

17.00 - 19.00

Platform presentations and discussion of clinical cases

LIMBIC ENCEPHALITIS:

50 YEARS SINCE THE FIRST DESCRIPTION

SCIENTIFIC COMMITTEE:

*Bruno Giometto (Trento)
Francesc Graus (Barcelona)*

09.00 *B. Giometto (Trento)*

Welcome

09.10 *F. Graus (Barcelona)*

Paraneoplastic Limbic Encephalitis 50 years later

09.40 *A. Vincent (Oxford)*

Non paraneoplastic limbic encephalitis from VGKC to Lgl1 antibodies

10.10 *J. Dalmau (Philadelphia/Barcelona)*

Effects of antibodies and Limbic System

10.45 Coffee Break

11.00 *M. Spatola (Lausanne/Barcelona)*

Long term risk of epilepsy and cognitive deficits in limbic encephalitis

11.30 *W. Grisold (Vienna)*

Mental changes of therapy and chemobrain

12.00 *L. Massacesi (Florence),
M. Titulaer (Rotterdam)*

for the EAN Neuroimmunology Scientific Panel.
EAN and Autoimmune Encephalitis: proposal for a
Consensus Conference on Treatment Guidelines.

Panel Meeting

12.30 Discussion

12.50 *B. Giometto (Trento)* Closing Remarks

13.00 ECM Questionnaire
